

Dear Anniversary Member,

Lake of the Woods Golf Course is bringing back the Anniversary Membership! It was such a success last time that we've added to it this year! You will now have two levels to choose from: **Anniversary 5-day** and **Anniversary 7-day**.

**Anniversary 5-day** is valid Monday – Friday, 10:00 a.m. or after and excludes holidays. With this pass you can book your tee time online 3 days in advance. The 5-day membership will cost \$89.00 per year with a \$10.00 per year administrative fee, based on a two (2) year commitment, bringing the total to \$198.00 paid-in-full.

**Anniversary 7-day** is valid Monday – Sunday, 8:00 a.m. or after and includes holidays. With the 7-day pass you can book your tee time by phone or online up to 7 days in advance. The 7-day membership will cost \$189.00 per year with a \$10.00 per year administrative fee, based on a two (2) year commitment, bringing the total to \$398.00 paid-in-full.

The Anniversary Memberships will first be made available to existing members and loyal customers with the understanding that we will only be able to sell a select number of these memberships before we must withdraw this offer. This offer is for a limited-time only.

These Anniversary Memberships will only be available for use during “Open Play” periods at the golf course, so it will not entitle these members to play in Scrambles, Club Outings, Leagues, Member Events, Club Tournaments, or Association Events without paying the additional associated green fees and league fees.

If you are interested in upgrading your Anniversary Membership to Platinum status, your green fees are covered for league play and you will have tee time priority booking. Platinum Members can book 14 days out to secure premium tee-times well in advance, whereas our new Anniversary members will be limited to only 72 hours in advance leaving them with only the tee-times our Platinum members didn't want. As an added bonus, our Platinum members will receive 3 guest passes, complimentary locker, and become eligible for our year end Ryder Cup.

That being said, we hope you are excited about the opportunity to share this remarkable offer with your friends, family, co-workers and other golfing companions. By growing our overall play through this program, we can continue our commitment to you and your golfing experience at Lake of the Woods Golf Course.

*See you on the tee,*
